

You Make a Difference

Dear Leland Parent Community,

Summer 2011

On behalf of the Leland High School Parent Club, I want to personally welcome Leland families to the 2011/2012 school year. The Leland Parent Club's main goal is to raise funds so we can donate technology and fund programs that are not covered by the school's annual budget. I am asking for your support by becoming a Parent Club member. By donating to the Membership Drive and becoming a member you enable our organization to achieve the goals we have set for Leland High School in this academic year. It is only through your generous financial contributions that the Parent Club is able to make our children's scholastic experience at Leland High School the best one possible.

With the pending budget cuts throughout our state and district funds tightening, your tax-deductible contribution is now more important than ever. Your donation is much appreciated and will go towards covering the costs of many of Leland's critical technology needs, programs and items. The Parent Club was able to fulfill all the requests for technology and all the teacher wish list items submitted to us by the faculty. In addition we were able to provide support for the successful "Every Fifteen Minutes" Program along with the many other important programs we fund every year.

This year's primary focus will be the continuation of our commitment to upgrade technology in the classrooms, as well as supplying each classroom with an emergency kit. We will also fund and provide volunteer support to programs, including but not limited to, Teacher Wish List items, Senior Recognition Awards, Safe and Sober Grad Night, Career Day, Charger Account Newspaper mailing logistics and costs, Senior Brunch, and Teacher Appreciation events.

The Parent Club Membership Drive set for this fall is **absolutely critical** to meeting our goal of raising \$40,000 to support the needs of our school community. Leland has over 1800 students as part of normal enrollment; if 360 families donate at the \$180.00 level, we will achieve our goal. Although we would appreciate \$180.00 (\$1 per school day per student), please feel free to contribute at whatever level you can. Your contribution to the Parent Club will support us in continuing to strengthen Leland's 40+ year history of academic excellence and achievement. For your convenience, you can either mail your membership form in the enclosed envelope or go to our website, www.lelandparentclub.com, and use PayPal.

Once again, I want to thank you for making a difference with your support and generous contributions to the Parent Club. Although becoming a Parent Club member does not automatically sign you up to volunteer (that's a different form!), I look forward to seeing you on campus at Parent Club sponsored programs designed to enhance our children's overall experience at Leland High School.

Warmest Regards,
Cathy Davis
Cathy Davis
2011/2012 Parent Club Membership Chairwoman
